

Downloading & Installing the WebScan Application

1. Go to [Hanover Bank | Remote Deposit Capture Resource Center](#), click on 'Scanner Downloads' and choose 'WebScan'

Scanner Downloads

Download Scanner Drivers:

Please review the Scanner Installation Guide under the Remote Capture Resources section prior to downloading the drivers.

Note: Hardware installations commonly require administrative rights to your local computer. Please engage your IT team if you do not have administrative rights.

Click below to choose the driver for your scanner, download, and install the software.

WebScan

Windows - Digital Check CX30

Windows - Panini VisionX & VisionNext

Windows/MAC - Panini VisionE

2. Once the application is downloaded, double click to open the application

 WebScan_Phase2.exe

3. Click 'Next'

4. Click 'Next'

5. Click 'Next'

6. Click 'Close'

7. Look on the bottom toolbar of your computer and right-click to open the WebScan (WS) app. Once open, click 'Settings'

8. Click the 'Choose Settings' dropdown to choose the type of scanner you have connected to your computer

9. Once you choose the scanner, click 'Update'

10. The application is now installed and you can continue scanning your check items
